March is known for being somewhat unpredictable because of it's unsettling weather. March's weather can run the gamut from hot to cold, sunny to cloudy, snow and icy, to hot and humid. This year the month came in with some days of unseasonably warm weather and then a virus which necessitated the close of universities, schools and many businesses globally. Although this pandemic may have caught most of us by surprise, it was not a surprise for Almighty God. He is not the one who sent this devastation upon our world, ( that was the enemy's doing). However, God is the cure for the things that are wrong in this world. This country was established upon Biblical principles and a commitment to always follow the rules of the Bible. God is our Refuge, Strength, Salvation, Protection, Provider, Healer and a very present Help in trouble. Let us, as the children of God, call upon our Mighty God from a sincere heart, for his help in these troubling days.

*P. Darby*

**2 Chronicles 7:14-16 New Living Translation (NLT)**

**14 Then if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, I will hear from heaven and will forgive their sins and restore their land. 15 My eyes will be open and my ears attentive to every prayer made in this place.**
